D. This plan is a: ☐ 100% Plan ☒ Base plan/Base Amount: \$30,000.00

[For "base plan," the base amount is the total sum of payments to be made to the trustee over the entire plan. If the base amount is ultimately insufficient to pay those creditors required to be paid in full under the plan, (i.e. administrative expenses and/or secured, executory contract/unexpired lease, arrearage/default, priority and separate classification claims) the base amount will be increased to the extent necessary to fund the plan

II. DURATION OF PLAN

Payments shall be made over a period of not less than 36 months nor more than 60 months, unless debtor pays all creditors in full in less than 36 months. Estimated length of plan is 60 months.

A monthly payment of less than \$15 on any particular claim shall not be distributed, but may be accumulated and distributed each time the aggregate amount of accumulated funds is \$15.00 or more. For each distribution period, the trustee is permitted to hold back, in the same manner as set out for distribution, estimated or applied for attorney's fees as projected costs of administration.

Pre-Confirmation Payments: Prior to confirmation of the plan, the Trustee is authorized to make monthly pre-confirmation payments to creditors in the amount of the monthly disbursement set forth in sections III.A.2, III.a.3 and III.A.4. Pre-confirmation payments shall be made in the sequence set forth below.

Post-Confirmation Payments: A proof of claim must be filed by or on behalf of a creditor, including secured creditors, in order for that creditor to be eligible to be paid by the Trustee pursuant to the terms of the plan.
